

Cylinder Trolley / Cart

Ideally recommended for transporting compressed gas cylinder. With cylinder trolley and cylinder securely fastened with the trolley with the help of the woven velcro strap / Chain, any kind of damage due to accidental fall of the cylinder while transportation is eliminated and moving the cylinder from one place to the other becomes easy.

Salient Features:

- » Compatible with both Indian & Imported Cylinder
- » Compact Design, Powder Coated
- » Replacable strap with velcro / Chain for holding cylinder
- » Rear extractable wheels for extra safety & Maneuverability
